***If you wish to purchase provider books please visit <http://www.heart.org>. WCFR does not purchase books for students.

Please note that our in-house training has priority over all external class offerings. We will do our best to work with your schedule but do not make any guarantees that we can accommodate your group. Also, we can accommodate small groups in our facilities, but large groups may require an outside host at an additional cost. Contact us with any further questions that you may have regarding the American Heart Association classes that we offer.
